As for occupations, I worked my way through college, helping my dad on the farm, working the ground, preparing the fields and harvesting grass seed. After college, I worked for an architect for a time, then worked for the State of Oregon Forestry, and worked for the City of Salem as a Plans Examiner until retirement.

Besides photography, my interests include camping, family, and church.

Larry passed away in his sleep on April 30, 2023. He was 81 years old. Larry and Wilma were married for 56 years.
